COMPRRESSOR: REPAIR & REMANUFACTURED

Stellar is the only rebuild company that can offer authorized OEM rebuilds for Frick, FES, Mycom, Kobelco, Howden, Dunham Bush, Vilter and Bitzer Compressors. Stellar has four climate-controlled repair centers throughout the U.S. for delivering compressor repairs and remanufactures with OEM Authorized Certification.

- Large selection of remanufactured compressors in stock
- Industry’s best two-year warranty
- NIST-traceable instruments
- Oil and vibration analysis programs
- Remanufactured complete refrigeration packages

AUTOMATION & CONTROLS OPTIMIZATION

Stellar’s automation services help optimize system efficiency and performance while providing preventive and predictive solutions.

- Process Control
- Utility System Control
- System Assessment
- Energy Conservation
- Remote Monitoring

SAFETY IS JOB ONE.

PROCESS SAFETY MANAGEMENT, RISK MANAGEMENT AND SAFETY

We provide comprehensive services and training for safe and compliant operations:

- Ammonia refrigeration instruction and training — hands-on and online
- Complete risk management program development
- Digital PSM for online, real-time system management and compliance, including records of all transactions
- Full PSM program development
- Mechanical integrity (MII) inspections and development
- Process hazard analysis (PHA)
- PSM and risk management compliance audits
